<b>Friday</b>	<b>11-3</b>	Dress in blue for Cookie Monster's birthday. Girls on the Run from 3:00-4:15. Related Arts Day F

Hello Warrior families! The Leaders with Character celebration this week was a success. We enjoyed reading the names of the students who were recognized. We look forward to continue to make this a great event that celebrates our students for their great accomplishments. It was exciting to see how the classmates clapped for their friends in being recognized. The 2<sup>nd</sup> quarter assembly will be held in December.

The Literacy Parade begins at 8:45 Tuesday. The children are asked to wear a costume based around a storybook character. The attached document will provide further details. The students will be escorted around the bus loop so observers can see their costumes. Then, all the students will wait for the arrival of the float of various other characters to pass by. We invite you to come join in this fun event. Because it is outside, and adult supervision will be constant, families will not have to sign in through Keep N Track. Instead, please remain outside and the students will make their way out there with their teacher.

### Spotlight on First Grade:

First Grade is very excited about our weekly computer lab time. We have learned to be proactive and get right to work to utilize our lab time to the maximum. We go to the lab to work on our own individual iReady lessons. We visit one morning to work on our iReady Reading skills and lessons, and one afternoon to work on our iReady Math skills and lessons. We know that each lesson is specifically designed for us - what we know right now and still need to learn. We are becoming better listeners because the directions are given to us aloud. We also know that by visiting the lab each week and working hard, we will reach our wildly important goal of 100% of first grade students making one year's growth by the end of 1<sup>st</sup> grade.

### Seven Habits Focus: Habit 3:

#### Put First Things First

I spend my time on things that are most important. This means I say no to things I know I should not do. I set priorities, make a schedule, and follow my plan. I am disciplined and organized!
