Hello Wards Creek Family! We have had a few changes in the front office with individuals that are very familiar to you. Christina King is now the Extended Day Coordinator. Tammy Stewart is now the Computer Operator/Registrar. We have posted for a front office receptionist. We ask that, if you need a transportation change, please send it to [wcestransportation@stjohns.k12.fl.us](mailto:wcestransportation@stjohns.k12.fl.us).

Due to anticipated rain, the TORCH Card Reward for Monday and Tuesday will be postponed. We will still go to Treaty Park with 4<sup>th</sup> and 5<sup>th</sup> grade on Thursday. Congratulations to those students who have earned their points.

Early Kindergarten registration happens this Tuesday. We encourage you to forward this message to any parents who will have a Kindergartner. The link to sign up is: [http://www.signupgenius.com/go/30e0945a5a\\_a283-kindergarten4](http://www.signupgenius.com/go/30e0945a5a_a283-kindergarten4)

The Kindness Club is taking orders for book recommendations. See the attached and order by Wednesday, March 21st.

Glow Run will be held on Friday, April 6th, at 7:00 pm. We hope to see many Warriors in this event.

Please consider either proctoring or providing lunch relief at Wards Creek Elementary during FSA testing in April. Your help would be greatly appreciated as we strive to create the best testing environment. <http://www.signupgenius.com/go/10c0c44a9ab2aa5f85-fsaproctors>

Spotlight on 2<sup>nd</sup> Grade:  
Second graders recently enjoyed a field study at GTM Research Reserve. We learned what an estuary is and why it is so important. We had the opportunity to use binoculars, interact with some wildlife found in an estuary, and go on a team scavenger hunt within a model estuary. Also, second graders hosted a storyteller who told a folktale, fairytale, and fable during her visit. Some of the kids even said they want to practice to be a storyteller too! We've had lots of fun in learning, and we're looking forward to more fun during Spring Break!
