Hello Wards Creek Family! What a great week back after the break. We had two awesome days for the TORCH Card Reward at Treaty Park. The students were so well behaved and enjoyed it tremendously. We look forward to the 4th quarter reward opportunity with the pool at Heritage Landing.

Best of luck to the 3rd grade students this week as they take their FSA Reading. They have prepared themselves all year and will do well.

Please consider either proctoring or providing lunch relief at Wards Creek Elementary during FSA testing in April. Your help would be greatly appreciated as we strive to create the best testing environment.

Spotlight on 5th Grade:

The end of the year is quickly approaching and fifth grade has lots going on. FSA testing resumes on April 19th for fifth graders. Then on May 7th, fifth graders will venture off on the much anticipated field trip to Universal Studios in Orlando, FL. The last week of school will include the fifth grade talent show, water day, and then last but not least, graduation on May 21st. While we want our fifth graders to work hard these last several weeks and show us what they know for FSA testing, we also want them to enjoy their last several weeks of elementary school. We are so proud of each and every student. **Fifth grade parents, please see the End of Year Events flyer for more fifth grade information.

Spotlight on Leader in Me:

Habit 6 – Synergize! – Synergy is when two or more people work together to create a better solution than either would have thought of alone. This will be the focused Habit for the month of March. Please see the attachment to complete and earn an extra TORCH point.
