Message from Principal Mitidieri:

It is hard to believe that a year has passed. It has been a great year at WCES and I want to personally thank you for welcoming me and helping to make our first year together a success. Thank you for the ongoing support you provide to the school and for trusting us to educate your wonderful children. I look forward to next year and the opportunity for continued growth and relationship building. We wish our 5th grade Warriors all the best as they transition to middle school. We know they will make us proud at PBMS. We hope that you enjoy a well-deserved break and that the students have an opportunity to rest and recharge. We look forward to finishing strong and coming back next year to continuing our work together. Have a great summer and GO WARRIORS!

We have plenty of business partners we would like to thank for their partnership.

Does your child want to read over the summer? Here is the link to the new SSYRA 3-5 list for next year. The FRA Children's Book Award list (for younger children) usually does not come out until August. Thanks for your support! Keep reading!
