### ASTHMATIC STUDENTS: POSSESSION OF INHALERS—Florida Statute 1002.20

Florida law states an asthmatic student may carry a prescribed metered dose inhaler on his/her person while in school with approval from his/her parents and physician.

The above named child may carry and self-administer his/her metered dose inhaler.

**Continued Asthma Plan for (Student NAME)** \_\_\_\_\_

Is your child compliant with their current treatment regime?

Yes ☐ No ☐

Does your child function independently with medication administration?

Yes ☐ No ☐

Are there any activity restrictions for your child?

Yes ☐ No ☐

If yes, please list: \_\_\_\_\_

**PARENT/GUARDIAN to Complete: Authorization for Health Care Provider and School Nurse to Share Information**

I authorize my child's school nurse to assess my child as it relates to his/her special health care needs and to discuss these needs with my child's physician as needed throughout the school year. I understand this is for the purpose of generating a health care plan for my child. I understand I may withdraw this authorization at any time and that this authorization must be renewed annually. As the parent or guardian of the student named above, I request that the principal or principal's designee assist in the administration of medication/treatment prescribed for my child.

I understand that under provisions of Florida Statue 1006.062, there shall be no liability for civil damages as a result of the administration of medication when the person administering such medication acts as an ordinarily reasonable, prudent person would have acted under the same or similar circumstances. I also grant permission for school personnel to contact the physician listed above if there are any questions or concerns about the medication. I have read the guidelines and agree to abide by them. I authorize the physician to release information about this condition to school personnel.
