Spotlight on Habit 1: Be Proactive
Part of being proactive is stopping to think before we act. Sometimes, we react to a situation immediately, without taking time to think about the results of our actions. We are also responsible for our actions.

A Note from Girl Scouts: When you unleash your inner G.I.R.L., you can accomplish anything! At Girl Scouts, the next opportunity to stand up, speak up, and take the lead is never far away. With us, you'll discover the G.I.R.L. (Go-getter, Innovator, Risk-Taker, Leader) in you, and watch her shine, again and again. Discover all you can be and everything you can accomplish when you have the right tools and a safe space to shine—and work together to change the world. So what are you waiting for? Kindergarten and 1st Grade: Daisy Troop 2010; 2nd Grade: Brownie Troop 2436. To join a troop, please visit www.joinsgc.com

Such a great turn-out for the Mother/Son night. Dads will get their chance on February 23rd with the annual Father/Daughter dance.

Spotlight on Fifth Grade:

We are excited to share our 5th grade community service project. Wards Creek is working together to partner with a school in our county, Webster Elementary. We have a valuable connection, as our very own Principal Mitidieri came to us after working closely with the students in the Webster community, who continue to be near and dear to her heart! We are looking to help stock their "new" clothing items for their holiday shop as this year Webster would like to open the holiday shop doors to parents-what a great idea! We will also look to do a supply drive for the students of Webster later in the school year. Stay tuned for information coming your way!

The school's Parent and Family Involvement Action Team met to discuss different ways to inform parents about the Habits. Students will be eligible to earn a bonus TORCH point each month based upon parents detailing how the highlight Habit was displayed (see attached). The focused habit will be in the TORCH.
