Hello Warrior families! Thanks to all of those families that were able to make it to Math Night. We counted 217 people! The students seemed to really enjoy the various games that reinforce math practices.

Thank you to all of those who took the suggestion in last week's TORCH and have changed their child's transportation method to the bus. It seemed to have really decreased the amount of time it takes to complete dismissal.

Leadership night has been scheduled for **Thursday, September 20th from 5:30-7:30pm**. The expectation is that children are able to lead their parents around the school and explain their daily routine and activities. This is a student led and directed event to showcase our school and leadership qualities! Students will get a passport that will tell them what to show. We are looking at this opportunity to see your child display their leadership skills.

At the beginning of the year we provided a Positive Behavior Support handbook. School-wide Positive Behavior Support (PBS) is a collaborative, assessment-based approach to developing effective school-wide behavioral expectations. The emphasis is on the use of proactive, educative, and reinforcement-based strategies to achieve meaningful and durable behavior and lifestyle outcomes. Your child is expected to share their TORCH card with you each night. This identifies if they have met the expectations for the school day. Please note that all students will receive a point for the days missed due to school being out of session.

Spotlight on 3<sup>rd</sup> Grade:  
We would like to welcome you and your child to Third Grade! There are many exciting activities and projects planned for the students in the 2018-2019 school year. We are eager to work as a "teacher and parent team" to help make your child's overall learning experience a positive and challenging one! Remember, the education process is a cooperative venture. To build on that education, we need a "helping hand" from home – that hand belongs to you! We look forward to a successful year together.
