Spotlight on Related Arts:
All of the teachers from the Related Arts Team (Art, Media, Music, and Physical Education) had a blast meeting so many of you at our Leadership Night event! It was so great to have all of you stop by and learn a bit of what your children experience when they come to our classrooms. We all hope that your children were able to share some of what they have learned to this point in the school year. It was great to have such a tremendous turnout for that event, and we were especially appreciative to have our classrooms jam packed with students and parents. Working together, we are strong for our children!
