Our third quarter TORCH card celebration will take place this week. The reward for students having the required points on their card will be a visit to the park during the school day. Please check your child's TORCH card to see if they have earned this event.

Spotlight on 4th Grade:

Every year the great Iditarod race occurs in Alaska. We will be following their progress as the mushers travel across the frozen landscape with their sled dogs. Each student will choose a musher to follow as they race to the end. The race begins on March 7th. Visit www.Iditarod.com for updates. Also don't forget about our community service project. This year the kiddos selected to complete a beach cleanup as our community service. If you and your family venture out to the beach and do some clean up please take a picture and send it to your homeroom teacher for a bonus stamp!
