

Home Access Center (HAC)

Home Access Center (HAC) is a great way to be “in the know” about your child’s ongoing academic progress in the classroom. **ALL REPORT CARDS WILL BE DELIVERED ONLINE VIA HOME ACCESS CENTER ONLY.** Please make sure you are prepared by signing up online at: <http://www.stjohns.k12.fl.us/hac/>

- **Helpful Hint-** you should sign up using the parent name & information (NOT STUDENT NAME & INFO). This will enable you to see all of your children via one account.

PTO

The purpose of the Wards Creek Elementary Parent Teacher Organization (PTO) is to encourage and enhance the education of all students, while strengthening and developing the relationships between our parents, school, and community. We are a 501(c)(3) organization. PTO Executive Board meetings are held monthly (2019-2020 dates TBD). All members are invited. We hope you will join us! You can find them on Facebook or here: <https://www.wardscreekpto.com/>

School Advisory Council (SAC)

SAC is also one way that parents can be a part of the important decision making at WCES. **By Florida law**, SAC is constructed to represent all segments of a school’s community – parents, teachers, administrators, support staff, business people, and other interested community members. SAC meets once per month. Find information here: <https://www-wce.stjohns.k12.fl.us/sac/>

MTSS-Multi Tiered System of Supports

During the year, schools monitor all students to see which students are meeting grade level standards and which students need additional support. Our school provides daily intervention and enrichment to all students. For students needing more support, our school based team use a problem solving process to plan interventions and monitor progress. Parents are given opportunities to participate in problem solving for their child, but are not required to attend problem-solving meetings. An invite to the meeting will be sent by mail or email. For more information, you may contact our MTSS Facilitator, Adriana Orta via email at: Adriana.Orta@stjohns.k12.fl.us

SchoolMessenger

School Messenger provides parents/guardians with a mobile app and website which allows them to view and listen to previous messages and to verify their phone numbers.
