- We will make sure every student has the support they need
- Please note we are a "nut aware" school

Dear Parents

(of elementary school aged kids)

When your kids come to school we will have to help them open LOTS of the things you pack for lunch.

PLEASE HAVE THEM PRACTICE OPENING THINGS BY THEMSELVES.

These are EASIER to open. If I help them open it, I won't be putting my hands on parts that will go in their mouth.

These are HARDER to open. If you send these PLEASE have them PRACTICE opening it. If I help them open it, I will be putting my hands on parts that will go in their mouth.

If your kiddo can open everything in their lunch, it means less time waiting with their hand up, more time eating and less germs!! (even though we are washing our hands and disinfecting)
