Hello Warrior families! We have successfully finished another week together. We are still trying to work on routines and procedures at parent pickup. Please have your child practice listening for their name being called. In addition, help them learn how to quickly buckle themselves up. This should help us get the line moving a little more quickly.

Also, if there is a transportation change, please use the transportation for:

Spotlight on 3rd Grade:

Third grade has enjoyed getting to know our students and their families. Our DEAL morning meetings have helped us establish a trust and bond in our classrooms. We can't wait to see everyone at Leadership Night!

We finished our i-ready testing. We are excited to take that data and start working with students on their individual learning needs. We are getting ready to start our grade level intervention.

We want to thank our families for their continued support of the St. Johns County Pet Center. We have been taking weekly donations to the Pet Center and they are so appreciative of all of the support.
