Hello Warrior families!
November 13th was “World Kindness Day,” which is a global day that promotes the importance of being kind to each other, to yourself, and to the world. The purpose of this day, celebrated on November 13 of each year, is to help everyone understand that compassion for others is what binds us all together. We will celebrate World Kindness Day Tuesday, November 16 by wearing a red shirt or a t-shirt representing kindness.

Water Bottles: Please remind your children to bring their water bottles to school. The water fountains are only water filling stations for bottles. The fountains are no longer equipped to get a drink from them.

Parent Pick-up: Parents who are picking up their children in the parent pick-up line must have a card tag visible. If not, you will be asked to come sign your child out in the front office and show your license.

November is National Diabetes awareness month, with Sunday, November 14th being National Diabetes Day. We are asking our warriors to wear Blue Monday, November 15th to support all Type 1 Warriors.

“It’s that time of year again! **Square1Art** catalogs have arrived! Please be on the lookout for your child’s personalized art keepsake order form/catalog. Students worked very hard on creating their winter themed art this year and now you can have their work printed on the surface of coffee mugs, key chains and more! These items make great gifts, too! Orders are due November 18th so please contact the art teacher, Julie Stimson, if your child has not received their catalog or if you have questions about ordering!”

Spotlight on 3rd Grade:

Just as new students arrive, so do new teachers! We have gained two new teachers recently in 3rd grade: Mrs. Miller, a long-time veteran of WCE and Mrs. Banks, a new resident of Florida.

The third graders have been learning about different types of text including persuasive text, informational text, and realistic fiction. Our next topic will be about Heroes.

We have been busy reading the Sunshine State Young Reader books this year. A favorite has been The Great Pet Heist by Emily Ecton. What book has been your child's favorite so far this year?

In math, students are working on mastering fact fluency, fractions, telling time, adding and subtracting 3-digit numbers with regrouping.

As we study about different cultures and customs in Social Studies, we look forward to the holidays and spending time with friends and family.
