The 5th Grade Spelling Bee was awesome! We are so proud of all the participants! Special congratulations to the 5th

grade Champion **Matthew Armstrong!** Mary Sheils is second runner up and will fill in at the St. Johns County competition if the WCES champion cannot be present for any reason.

Spotlight on 4th grade:

The second quarter in fourth grade is in full swing! We are thrilled about the new learning happening here! Fourth grade readers have been analyzing literature including poems and dramas. We have been reading non-fiction texts and have been identifying the central idea and the text structure. Writing students are learning how to write a 5-paragraph informational essay. We are learning about Florida's history, in particular early settlements and colonies. 4th grade scientists are comparing the seasonal changes in Florida plants and animals to those in other regions of the country. In addition, they are learning how when animals eat plants or other animals, the energy stored in the food source is passed to them. Our mathematicians have finished up long divisions and have

jumped right into fractions and equivalent fractions. We are so proud of our 4th grade leaders for exhibiting leadership qualities each and every day.

Congratulations to Arianna Ferreira for designing the winning t-shirt for fifth grade. Arianna is pictured wearing the shirt with Mr. Klein and Mrs. Haynes.
