Hello Wards Creek Family! The holiday season is upon us, and we want to thank everyone for a great first semester. It is hard to believe we are almost halfway through the school year. There is a lot of excitement happening this week as we celebrate. We hope that your family has an enjoyable break and safe travels. We will look forward to seeing everyone again in 2022.

Due to the Winter Break, we will have an early release day Tuesday, December 20. Dismissal will begin at 1:45. School will resume for students Thursday, January 6th, 2022.

Spotlight on Kindergarten:

Kindergarten is spending all of December and the first couple of weeks in January studying Jan Brett, a famous author and illustrator. We use her books to practice retelling as well as comparing and contrasting stories. We will end December with Holidays Around the World activities and a special Grinch Day! We will also learn all about matter in our winter unit. Throughout all of that, we will begin our mid-year iReady Diagnostic Assessments. We cannot wait to see how much our students have grown so far this year!
