Thursday	1-20	Day B in the Related Arts Schedule
Friday	1-21	Wear Favorite Football t-shirt. Day B in the Related Arts Schedule

Hello Warrior families! Thank you for helping to maintain a safe car line. Please remember it is a cell phone free zone and to leave the student tag visible throughout the car line. We appreciate your help.

The 2nd I-Ready Diagnostic testing continues this week. This will help determine if our students are on track to meet our Wildly Important Goal of having each child make their individual growth goal by the end of the year. Please remind your child to put forth their best effort so we may determine their independent level and then prescribe an individual learning path for them.

SUMMER MARINE SCIENCE PROGRAM
DO NOT MISS OUT ONLY 2 SESSIONS for students in grades 5th-7th.
Please see the attachment for more information. Fun Fact – Mrs. Haynes attended St. Johns County Marine Science Camp for two years when she was in junior high (AKA middle school).

News about Read-a-thon:
 It's been a great start to our annual fundraiser, the Read-a-thon, this year! We hope that you have been logging your minutes read. Please

see the documents attached to learn all about the Read-a-thon. The Flyer lists everything you need to know, including all the awesome prizes your students can earn and the FAQ document answers almost any question you may have.

PTO Interest Survey - please complete the attached survey if you are interested in joining the PTO Executive Board for the 2022-2023 school year. It is a great way to serve the school and help make it the BEST school year over year.

Spotlight on Second Grade:
 Second graders have completed the i-Ready Math diagnostic assessment. Next week they will be taking the i-Ready Reading diagnostic assessment. As soon as the assessments are completed and the children have had time to update their Leadership Notebooks, we will send home the results. They are excited when they see how much they've learned so far this year.
 They are especially excited about the February 11th field trip to the Alligator Zoological Farm! They will be immersed in learning about the various animals at the Alligator Farm.
