Bullying Protocol and Procedures

It is the policy of the St. Johns County School District that all of its students and school employees have an educational setting that is safe, secure and free from harassment and bullying of any kind. (Policy 3.21)

Bullying is defined as a behavior that systematically and chronically inflicts physical hurt or psychological distress on one or more students or employees. It is further defined as **unwanted and repeated** written, verbal, or physical behavior, including any threatening, insulting, or dehumanizing gesture, by a student or adult, that is severe or pervasive enough to create an intimidating, hostile, or offensive educational environment; cause discomfort or humiliation; or unreasonable interfere with the individual's school performance or participation; and may involve but is not limited to:

- Teasing,
- Social exclusion
- Threat
- Intimidation
- Stalking (including cyber-stalking)
- Physical violence
- Theft
- Sexual, religious, or racial/ethnic harassment
- Public humiliation
- Destruction of property

Harassment is defined as any threatening, insulting or dehumanizing gesture, use of data or computer software, or written, verbal or physical conduct directed against a student or school employee that:

- Places a student or employee in reasonable fear or harm to his/her person or damage to his/her property
- Has the effect of substantially interfering with a student's educational performance, opportunities, or benefits
- Has the effect of substantially disrupting the orderly operation of the school

Cyber-stalking is defined as engaging in a course of conduct to communicate, or to cause to be communicated, words, images, or language by or through the use of electronic mail or electronic communication, directed at a specific person, causing substantial emotional distress to that person and serving no legitimate purpose

If any person reports alleged bullying or harassment at Wards Creek Elementary, the following procedures will be followed by appropriate staff in order to address the complaint:

Alleged incidents can be reported to any teacher or staff member. If the complaint was physical in nature, then the adult should complete a referral immediately. If not, the adult should follow up with the reporter (or the victim, if the reporter is a bystander) by asking the following questions:

- Has the behavior happened more than once by the same person or group of people?
- Did you feel afraid, humiliated, or threatened by the behavior?

If the answer to either question is yes, the adult should fill out a Harassment/Bullying Incident Report Form and send it to the office. The county protocol will then be followed to investigate the incident and determine the appropriate course of action. This may include the involvement of Law Enforcement. Any action taken will be documented, and appropriate parties/parents will be contacted for follow-up.

If the answer to both questions is no, then the adult may follow the school's PBS plan for consequences of the behavior. This should include documentation on the classroom clipboard, indicating alleged bullying (AB).

Please note that parents can go to a link to report bullying on either the district website or Wards Creek's school website. There are also forms located in the front office and the Guidance office.
