Participating students will get to pick and help "build their own" huggage buddy when the Bear Factory brings their "Create a Plush Buddy" program to our school on October 11th & 12th. Our theme for this year is "Plush for the Planet" Students who raise \$65+ in donations will be able to chose a buddy of their choice. This is a 16 inch stuffed buddy (they will make in school), a drawstring bag, heart that goes inside & a birth certificate.
