Wards Creek Parents,

It is that time of year where we begin the work of creating classes for next school year. Our teachers have worked diligently as a team to place students into heterogenous groups that will work well together as a family. Students are assigned as a group and then later we assign the teacher for each homeroom. We truly believe that finding that right match and creating the opportunity for a solid relationship is the basis for a successful school year. We want you to know that throughout the process, we discuss each child individually and strive to make that best match. We do value your input. However, we are not taking specific teacher requests. If you would like to let us know your child's learning, social needs, and the type of teacher you feel they would be most beneficial to your child, please fill out the form below and return it by Thursday, May 23rd. You may print this out and send it in with your child. Or you may email it to kevin.klein@stjohns.k12.fl.us.
